Corrections:

1. Fabric A cutting instruction #3 should read "Cut two 2" strips. From these strips cut eight 2" x 7" rectangles and eight 2" x 2½" rectangles."
2. For steps 21 and 27 in the pattern, place the template or easy angle ruler as shown in the diagrams here. There will be a "dog-ear" of the ruler or template that extends beyond the 2"x 3½" fabric A rectangle as pictured in the diagram. Trim along the diagonal edge as indicated.
